Ron,

I provided my answers to your questions in the body of the letter. I concur with the summary of comments in the attachments. Unless DOH has comments (please let Ron know by tomorrow), I think the letter is good to go. I did not accept or reject any of your changes, just replied to your comments. I will let you finalize the red line/strikeout portions. Send me the final version and I will coordinate with DOH on signing and sending to the Navy.

Bob
